FAVOURITES

A Cosmic Matter

21ST CENTURY ENLIGHTENMENT

Jonathan Adler

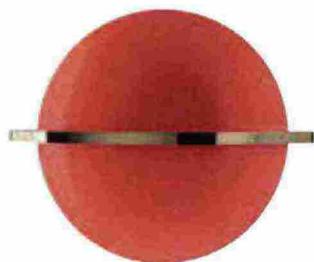

The Electrum Kinetic

Chandelier is an alloyed orb of brass and nickel. The movable rings can be constrained to look minimal or opened out for a sense of cosmic revolution.

Globo circondato da anelli mobili in ottone e nichel, l'Electrum Kinetic Chandelier coniuga design minimalista e modernismo da era spaziale.

A HEATED ATMOSPHERE

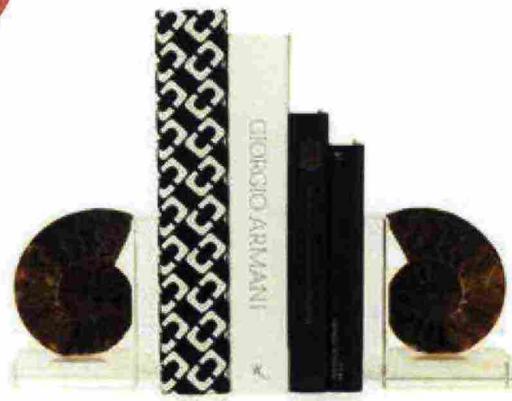

Antrax

The Saturn & Moon is a sculptural radiator and towel ring holder. Its serene, smooth surface captures light and emanates warmth.

Coppia interplanetaria di termosifoni rotondi con anello portasalviette, che assorbono luce dall'ambiente ed emanano calore.

IN YOUR GOOD BOOKS

The sofa &

chair Company

These ammonite bookends, mounted against lead-free crystal, balance the ancient with the futuristic in an earthy but luminous way.

Le ammoniti montate su vetro senza piombo fanno di questi regolari un luminoso incontro tra passato e futuro.

MIRROR, MIRROR, ON THE PAN

Ghidini

A glass mirror and 24K gold plated aluminum structure, the Frying Pan mirror is luxurious, novel and playful. Bound to spark conversation.

Il lustro dell'oro e la semplicità della quotidianità in uno specchio giocoso e innovativo, opera del vulcanico duo belga Studio Job.

**NECTAR OF THE GODS**

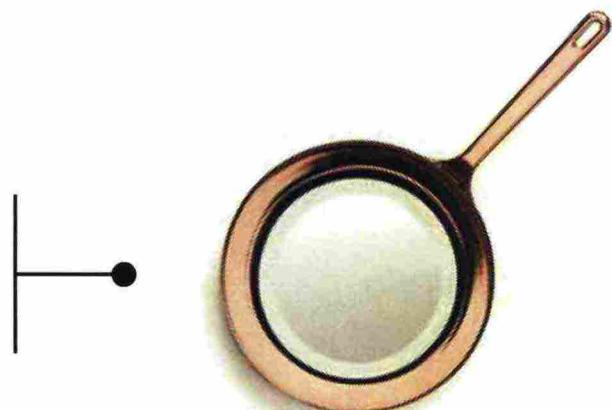

Hend Krichen

Made using Tunisian artisanship, the geometric ceramic vessel with copper rim is ancient and contemporary. Glazed interior is water-friendly.

Vaso di lusso ultramoderno ma dal cuore antico, in cui il design geometrico sposa ed esalta la maestria artigianale dei ceramisti tunisini.

BEAUTIFUL RUIN

De Castelli

The surface tile is formed by the monitored erosion of metal. Textured anomalies and gold hues mix aristocratic stride with warehouse-chic.

L'alta qualità dei materiali e l'erosione controllata del metallo regalano un'eleganza industriale alle originalissime superfici

De Castelli.

€ 700 per square metre
