OUTDOOR

(above), Plus, Francesco Rota | 2017 for Lapalma. Modular system with removable covering, composed of various elements sheathed in breathable and waterproof fabric. Steel connecting brackets, powder-coated stainless steel. lapalma.it
 (left), Cohiba, design R&D De Castelli, 2011. The pure shape of the cylinder is rendered in De Castelli metals and finishes for a series of cachepots providing great scenic presence. With different heights and diameters, they can live alone or form faceted sets that can be anchored to the ground by an optional plate. decastelli.com
